

Let's Talk Scrap!

CLEANER. GREENER.

Don't confuse scrap metal with waste!

Kimmins is a scrap metal broker and recycler of ferrous and nonferrous metals, with service tailored to your recycling needs. We have the equipment, experience, and integrity to exceed your expectations for quality and customer service!

We make it easy! We bring the container to you and provide reliable, safe service.

- ✦ Impress clients & visitors with your efforts to help the environment
- ✦ Keep your site clean and fill at your own pace
- ✦ Commercial clients welcome to self haul

Kimmins Contracting Corp.
